CRANHAM PARISH COUNCIL
INTERNAL AUDITOR'S REPORT
FOR THE YEAR ENDED 31.03.2026

I have examined the Council's accounting records and consider them to be well and accurately maintained. They provide a true record of the financial transactions throughout the year under review.

I have audited the books of account and supporting documents, vouchers and invoices provided and have prepared a Receipts and Payments Account. I can confirm that, in my view, that account represents a true and fair view of the Council's financial activities during the year. I would like to record my appreciation of the well ordered and accurate records kept by the Clerk.

Recommendations:-

It would appear that there were no internal financial checks completed during this Financial Year as per statutory obligations 2.1 and 3.5 in the Financial Regulations. The inclusion of this check in your accounts would be recommended for future accounting records.

For your reference these are the items I am referring to:-

1. The Council must ensure that it has a sound system of internal control which delivers effective financial, operational and risk management (2.1).
2. The Council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices (3.5).
